1. GENERAL INFORMATION

National Institute for Research and Development in Mine Safety and Protection to Explosion – INSEMEX organizes the 9th Edition of the International Symposium on Occupational Health and Safety – **SESAM 2019**.

This traditional scientific event will take place in **Petrosani**, on **October 3rd 2019**, being organised with the support and cooperation of the **University of Petrosani** and of the **Labour Inspection**, and under the auspices of the **Ministry of Research and Innovation**, **Academy of Romanian Scientists – AOSR** and **Academy of Technical Sciences in Romania – ASTR**.

2. TOPICS

Authors are welcome to submit original research paper(s) in accordance with SESAM 2019 symposium topics:

- Mining and industrial ventilation
- Occupational risk and technological risk for industries with explosive and/or toxic atmospheres
- Explosives for civil use
- Pyrotechnical articles
- Equipment intended for use in potentially explosive atmospheres
- Protection of useful mineral substances deposits
- Closure of mine units
- Rescue and intervention activities in industries with potentially explosive and/or toxic atmospheres
- Environmental protection, solutions to prevent, to diminish and to fight against pollution
- Occupational and organizational psychology and sociology

3. PAPER INDEXING

Scientific papers submitted in accordance with SESAM 2019 symposium topics will be published with open-access in **MATEC Web of Conferences**.

MATEC Web of Conferences Journal is an Open Access publication series dedicated to archiving conference proceedings whose aims and scope cover all engineering disciplines, being indexed in **major international databases**:

- Chemical Abstracts Service (CAS)
- Compendex (Engineering Village)
- Conference Proceedings Citation Index (Web of Science)
- DOAJ
- EBSCO (EBSCO Discovery Service)
- Google Scholar
- Inspec
- Polymer Library
- Scopus
- Materials Science & Engineering Database (ProQuest)
- SciTech Premium Collection (ProQuest)
- Technology Collection (ProQuest)

4. IMPORTANT DATES
